II. INTRODUCTION

A. PURPOSE AND BACKGROUND OF THIS REQUEST FOR PROPOSALS

Santa Fe County Public Works Department (County) is requesting proposals from qualified Architectural and Engineering Teams, (hereinafter the “Offerors”) for Architectural and Engineering services for the planning, design, and construction of a new senior/community center for Santa Fe County off NM Highway 14 in Cerillos, NM. All potential Offerors are to read, understand and accept the requirements of this Request for Proposals.

Santa Fe County is authorized to plan, design, construct and furnish a new County senior/community center. The project will consist of a newly constructed 8000 square foot building and site improvements to be completed in phases. The first phase of construction will be to provide approximately 5000 sq. ft. of building and associated site improvements. Water and electric are available at the site, however a new septic or package treatment system is required. No gas service is in the area.

Project Site: The property for the Highway 14 Senior/Community Center is located a short distance off the intersection of Highway 14 and Main Street and is easily visible to motorists driving Hwy 14. The site is adjacent to the Cerrillos Post Office and the Galisteo River.

Space Needs: Phase One will be approximately 5000 square feet and include kitchen facilities, community room, dining, reading room, game room, project areas, activity and exercise space, staff offices as well as other amenities that serve the needs of the users. Covered outdoor seating and dining areas, outdoor game areas are anticipated as well as Garden and Greenhouse space. Adequate parking and a covered drop off area are also programmed and budgeted for. The Center design will be residential in scale and will be laid out to integrate the activities within the Center to promote a social environment.

The design of the building will fit the context of the Town of Cerrillos so that the Center will complement the village and historic feel.

Kitchen facilities serve both in house dining and the Meals on Wheels program that will expand hot meal delivery to homebound residents within the expanded service area. Loading and Unloading facilities will serve bulk delivery, solid waste removal and maintenance of grease traps. Covered loading for the food delivery vehicles is also desired.

The Community room will be dual purpose and will provide additional activity and exercise space to the Senior Center and will also serve as a public meeting and gathering space for the community. The Community Room will have access from inside and outside the building. Outside access will allow public use of the Community Room on evening and weekend without access to the entire facility. The Bathrooms will be located

adjacent to the Community Room in such a way that they will be able to be locked off to serve the after hour uses of the Community Room and the Senior Center during typical daytime hours.

The Dining spaces will be comfortable for congregate activities and have access to covered outdoor seating so that seniors and their guests can choose between eating in or out of doors. Table and chair storage located adjacent to the dining room will allow the Dining Room to double as an activity and exercise space when meals are not being served.

Activity spaces such as the Reading Room, Game Room and project areas will be designed to support casual use of the facility and provide a relaxing atmosphere for social interaction. Indoor and outdoor activities will be planned and designed into the site plan to promote healthy activities for seniors using the facility.

Parking should meet all code requirements as well as the parking required to meet the programmatic needs of the community.

Future use of the site may also include a Volunteer Fire Station. The consultants are requested to include a two bay Volunteer Station in the Programming Phase of the work.

MACC: The Maximum Allowable Construction Cost for this project is \$1,375,000.00
Occupancy: Santa Fe County anticipates the newly constructed senior/community center will be ready for occupancy by December of 2017.

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. Certification by the department of taxation and revenue for the resident veteran business requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran business preference to be applied to its proposal is required to submit with its proposal the certification from the department of taxation and revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident business certificate, 10%, 8% or 7% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror’s score, depending on the business’ annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

AND

C. *Santa Fe County Preference*

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a “Santa Fe County business.” Application of the County preference in

procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business' corporate standing in the state, business licensure or registration, the duration of the business' primary office location and the payment of taxes.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

Additional information about obtaining the certificate as a resident contractor and resident veteran contractor may be found at: <http://www.tax.newmexico.gov/Businesses/Pages/In-StatePreferenceCertification.aspx> and information about the Santa Fe County business Certificate at www.santafecounty.org (Quicklink Ordinances and Resolutions).

27. Living Wage
